

PSE NEWS

Pre School Enrichment | Southlake Campus

Sunscreen

When the sun decides to come out again it'll be toasty. Don't forget your sunscreen. It helps us a lot if you apply the first coat in the morning and we'll re-apply in the afternoon.

PSE Closed

PSE will be closed May 25th. We hope everyone has a wonderful holiday weekend!

Graduation

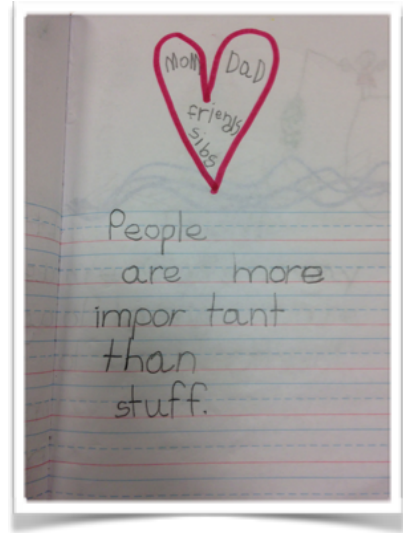

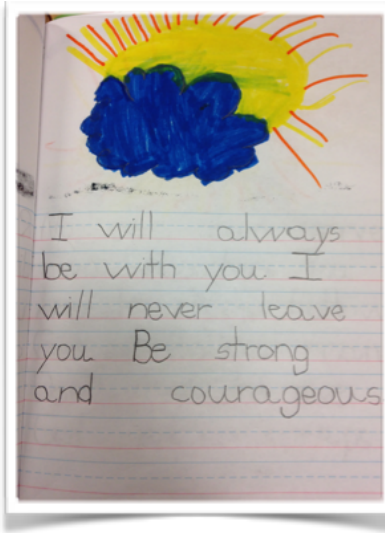

We couldn't be prouder of the class of 2015! We can't wait to see all the places you'll go!

Parent Night Out

Upcoming Dates:

June 6

5-11pm \$40 first child, \$20 additional. Please sign up in office.

AMAZING handwriting!

UPCOMING EVENTS

Graduation	15th
Parent Night Out	16th
PSE CLOSED	25th
INSIDE OUT day	June 12
Donuts with Dad!	June 19

Toddler 1: Ms. Kristin & Ms. Callye

Even though the school year is winding down, WE are still hard at work here in the baby room! Using our words is a priority as well as name recognition.

Toddler 2: Ms. Shanay

This month we will take the sight words that we've been working on all year and begin sentence building. We'll be sending them home once a week for practice.

Bridge 1: Ms. Kristen

During May we will be focussing on the teen numbers. We we work on recognition, placement and addition. We are also adding some geometric 3D shapes. In PE we'll be moving and grooving to new games and exercises.

Bridge 2: Ms. Amie & Ms. Kathryn

Bridge 2 is working hard on tracing names, the days of the week, and months of the year. In addition to the months we're working on the seasons...which can be very confusing in Texas. I am also introducing a series on money.

Discovery: Ms. Claire & Ms. Shelby

This month we are going to revisit our friend Mr. Gator for an in depth look at comparing numbers and using correct symbols for greater than and less than.

Here's whats happening in our neck of the woods.....it's weather month and we'll be talking about the types of weather along with observing and charting what our weather patterns look like. We are also gearing up for some great experiments including making a cloud, lightning, and a rainbow!

Skills: Ms. Tiffany

In May we'll be working on parts of a story, reading comprehension, and sentence building. In our journals, we will be writing about our Moms, May flowers, gardens and sunshine.

Art: Ms. Carrie & Ms. Payton

Celebrating springtime! We'll be creating flowers, suns and butterflies. The kids will get a chance to express their creativity through drawing and painting. We will continue to develop our fine motor skills as we trace and cut. It should be a fun month in art!

PE: Ms. Brooke & Ms. Mary

As the school year in coming to an end, we'll be doing all of our favorite things in PE! Lots of games, and our favorite...parachute! We'll also be working on ball drills, bean bag balance, and a fun obstacle course.

Kindergarten: Mrs. Hill & Ms. Kenzie
